

## WELCOME TO PRO-VIEW VEHICLE INSPECTIONS

**CARS, 4WD, IMPORTS, PRESTIGE OR COMMERCIAL... just ask Paul - 0412435717**

*Thank you for taking time to contact us and view our information pack.*

Our team takes pride in providing a professional, independent inspection service. We work solely for our clients and strive to provide a quality experience through the end to end process of mobile vehicle inspections.

### Pro-View – where and when:

- Mobile inspection service.
- Operating 7 days a week.
- Servicing Sydney
- Servicing outer areas, such as Canberra, Wollongong, and Newcastle.
- Servicing the requirements of interstate clients.

### Pro-View understands that buying a vehicle is not always easy – you may have questions?

- Will I get a good vehicle that's value for money?
- Will the seller tell me if the vehicle has had an accident?
- Why is the vehicle so under priced?
- The seller says it a good buy, is it?

### How will Pro-View address your concerns?

- We work with our clients in a partnership from first contact and we remain focused throughout the process.
- We promptly attend to the vehicle so that you don't miss an opportunity.
- We carry out an extensive inspection of the vehicle.
- We are available for free advice - even if you don't use our service straight away.
- We are committed to living moral values and will provide you with an honest evaluation of the vehicle you are interested in.

### What else can Pro-View do for you?

We offer an additional range of services:

- Finding the right vehicle: Let Pro-View do the work for you by finding a range of suitable vehicles from your criteria. We will cull unacceptable vehicles leaving you with the right vehicles to choose from.
- Accompanying clients for a half or full day. You are looking for that certain vehicle and will need to move quickly to "seize the moment" and close the deal. Pro-View can be your own personal inspector for the day.
- Working to help interstate clients in finding, inspecting and organizing transportation of a vehicle back to your home state. Or if you prefer we can arrange to pick you up from the airport or train station, so you can drive your new purchase home.

**BUYER BEWARE.....**

This vehicle was used only locally, and rarely at full operating temperature. A strong build up of sludge, with water droplets from condensation is evident. The vehicle was a 2008 model.

This vehicle spent most of its life in the beach suburbs and has evidence of surface rust developing on both body and structural components.

This vehicle had oversized tyres fitted which interfered with the operation of the suspension, causing early tyre and structural wear.

**BUYER BEWARE.....**

This carpet in the back passenger floor of this Toyota is starting to show signs of staining, misshape and shrinkage. In addition, the seat belt retaining bolts exhibited slight corrosion, indicating possible water damage. On further investigation this car was found to be recently brought from interstate with expected flood damage.

This 2008 Jetta visually looks like a great find to an unsuspecting buyer! Research found that this vehicle was actually a repairable write off.

Make sure the engine is sound from inside. Have a compression check.
